Dear Maryam,

I would like to thank you for your wonderful e-mail. I was happy to know about the great work you are doing at your school in Muscat. Actually, I saw the photos you attached with the e-mail. I liked the photos of the posters you designed with your friends at school.

It is clear that the English Club at your school is playing a very good role. You told me that you also have a school magazine. In this magazine, you and other students write articles about many topics such as school, food and health.

I think this would help us in our school because our English teacher will start the English Club at our school next February. Actually, we like the idea of the English Club and our English teacher is very happy to start it in our school. I hope that the information and the pictures you sent me would be very helpful for us to make a good start of the English Club in our school.

Please can you send me more pictures of your friends at school, too. In fact, I like this idea of the English Club and I hope it will be successful in our school.

Bye for now.

Yours faithfully,

Huda.
