*Interviewer:* Welcome Sami. Can you tell us about your work?

*Sami:* I am a sport photographer working for Al Shabab sport magazine and I photographed 206 different matches such as basketball, football and handball.

*Interviewer:* But do you like sports?

*Sami:* Actually, my father plays basketball for our town team. We go to all of his games and we also watch a lot of sports on TV.

*Interviewer:* How did you first get into photography?

*Sami:* When I was ten, one of my friends told me about a free basic photography course in the club in my town, so I joined. Since then I like shooting photos. In my next birthday, my mother bought me a Canon camera.

*Interviewer:* What kind of a photography education did you have?

*Sami:* I have a bachelor of journalism which is really related to photography. This is why I was accepted in the magazine when I applied for the job.

*Interviewer:* What is the amazing thing about your work?

*Sami:* Every day I meet people from different places and I like to work with other photographers and editors.

*Interviewer:* What are the difficulties in your work?

*Sami:* One thing is that I have to manage it to be at the sport event on time. This sometimes is very difficult if the place is far away from my town. In fact, I don't have a car so I pay more money for the taxi to be on time.

*Interviewer:* That's great!

Samuel Langhorne Clemens was born in Florida, Missouri on November 30, 1835. He would later go by the "pen name" Mark Twain as a writer. Young Samuel grew up in the small town of Hannibal, Missouri with his sister and two brothers. The town of Hannibal was located right on the Mississippi River and Samuel loved to watch the river boats pass by. Therefore, many of Mark Twain's stories were inspired by his own adventures on the river when he was a kid. Growing up, Samuel dreamt of becoming a steamboat pilot.

At the age of 11, Samuel's father died. To help the family, Samuel quit school and went to work in a printer. It was here that he learned about writing. Around the age of 21, Samuel decided to pursue his dream. He was trained as a pilot on a steamboat. He had to learn all the potential dangers and snags along the lower Mississippi river. It took him two years of hard work and study, but he eventually earned his pilot's license.

When he started writing, Samuel took on the pen name Mark Twain. The name comes from a term used on steamboats to signal that the water was 12 feet deep. Mark Twain wrote a number of books. Some told funny stories from his own travels such as *Roughing It* and *Innocents Abroad*. Other popular books include *The Prince and the Pauper* and *Pudd'nhead Wilson*.

Twain's love for adventure and risk got him into financial trouble later in life. He invested his earnings into failed businesses and inventions. In order to pay the bills, he travelled around the world giving lectures and speeches. They were very popular and he was eventually able to pay off his loans. Mark Twain died of a heart attack on April 21, 1910.
