Subject: An Omani great thinker.

Dear Amna,

Hi! Hopping you are doing well at your school. How are you doing with your project so far? Well, I'm writing to tell you about my project. I have chosen to write about an Omani great thinker. His name is Hussain Al Hajri.

He is a famous Omani landscape artist. He was born in 1966 in Bidiya, Sharqiya Governorate. He started his painting by drawing unique and natural places in Sharqiya. As a landscape artist, he uses trees, bushes, flowers, , valleys, sea shores and beaches in his paintings. His paintings also include pictures of mosques, museums and mountains from all over the Sultanate.

Hussain Al Hajri won many prizes, such as the 1st Prize from the Ministry of Culture and Heritage competition in 1988 and the 1st prize at the Sharqiyah competition in 1989.

He also won the 2nd prize from the General Organisation for Youth Sports and Culture Activities competition in 1993.

That's what I have found about him in the internet. I can't finish my project because I need more pictures. I wish if you could help me to find some pictures for my project.

That's all for now. Write to me soon.

Thanks

Latifa
